

Technical Data

Euro Module Blanks

Brief product description:

Quick and easy to install, these blank modules fit seamlessly into the Euro Module front plates alongside other components, and are ideal for use as spacers between other modules of simply to fill unused space in the Euro Module aperture.

These modules provide flexibility for the end user to create a configuration that is customised for their need.

Features:

- Use as spacers between other modules of simply to fill unused space in the Euro Module aperture
- Available in widths of 1/2 Module and 1 Module
