Item Code – LJ5206

Cyclops Professional network Cable Stripper

- For - CAT5e, CAT6, CAT6A ,UTP ,FTP network cables up to 11mm Diameter
- Professional quality and the original Cyclops product
- Long blade life
- Leaves conductors undamaged
- No adjustments ever needed

The Cyclops takes the guesswork out of removing the cable jackets from many types of twisted pair (UTP & STP), multicore (shielded and unshielded) and fibre optic cables. This multipurpose tool automatically adapts itself to accept cable diameters of up to 11mm (0.43"). It is designed for long blade life and to cut into the insulation while leaving the conductors undamaged. It can be used for voice, video, audio, security and many other applications .This tool is ready to use straight from the box with no adjustments ever being needed, this ensures a reliable consistent cut.
